Dear Congressman Palazzo,

We wish to affirm our support for the Bipartisan Congressional Trade Priorities and Accountability Act of 2015 which promotes enforcement of rules governing trade practices. We also support the finalization of current imminent international trade agreements including the Trans-Pacific Partnership (TPP) and Transatlantic Trade and Investment Partnership (TTIP).

Increased opportunities for trade result in increased business opportunities and jobs. In the port industry, we provide the gateways to regional and global markets which connect the American farmers, manufacturers and consumers to the world marketplace. The Port of Pascagoula continually ranks in the top twenty ports in the country for foreign trade and we are well positioned to address the expanded market access that can be enhanced by passage of this legislation.

We appreciate your continued support.

Sincerely,

Mark McAndrews
Port Director
