Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Bogue Homa Water System in fiscal year 2022. The entity to receive funding for this project is Mississippi Band of Choctaw Indians, located at 101 Industrial Road, Choctaw, MS 39350. The funding would be used for drilling new wells and installing a water treatment plant capable of removing the naturally occurring color from the aquifer water. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Steven M. Palazzo
Member of Congress
