

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

April 7, 2020

The Honorable Michael R. Pence
President of the Senate
United States Senate
Washington, DC 20510

Dear Mr. President:

On March 27, 2020, the President signed into law the CARES Act (Public Law 116-136), which provided more than \$2.2 trillion for combatting the spread of the coronavirus at the local, State, national, and international levels and to support the U.S. economy and the American people.

As the pandemic has grown, it is placing unprecedented strain on the Nation's small businesses and non-profit organizations. The Administration has responded by quickly launching the Paycheck Protection Program (PPP) as authorized in division A of the CARES Act. As of today, the Small Business Administration (SBA) has recorded over 220,000 loans totaling approximately \$66 billion. Given the level of demand for the program, the Administration believes the funds appropriated for this program will soon be exhausted.

The aim of this request is to meet the immediate demand for the program as authorized and to ensure that employers can keep employees on payrolls for the remainder of the covered period. This request is not intended to expand program eligibility or the duration of the program.

At this time, the Administration is requesting to amend the CARES Act to increase the amounts authorized for commitments for PPP by \$251 billion, to a total authorized level of \$600 billion, as well as an appropriation of an additional \$261.3 billion for SBA for the costs of this authorized level of loan guarantees. Consistent with the CARES Act, the Administration believes it is appropriate that these additional amounts be designated as an emergency requirement pursuant to section 4(g) of the Statutory Pay-As-You-Go Act of 2010 (2 U.S.C. 933(g)). Please see the attached Appendix for proposed language reflecting this request.

Thank you for your consideration of these funding needs. I urge the Congress to take swift action to provide the additional funding requested to support America's response to COVID-19. I stand ready to work with you to achieve this goal.

Sincerely,
